We'll add almost any filling or combination off fillings that you'd like to try, as long as it's feasible!

Our delicious King Cakes are *made by hand* from the same sweet dough we use for our danishes. We ice them with our homemade buttercream icing and then sprinkle on purple, green, and gold sugars.

And We Bake A Baby Inside Every King Cake!

Shipping:

We can ship regular or medium size king cakes and will include Mardi Gras beads, doubloons, and a History of the King Cake. If delivering to a business, UPS must get a signature, but if delivering to a residence, they may leave the package at the door. We cannot take responsibility for those deliveries which are not found immediately, are destroyed by animals, attacked by ants, etc., so we recommend shipping to a business whenever possible.

We bake and ship King Cakes all year 'round!

We appreciate all comments, questions, and suggestions. Feel free to email us at info@julieannesbakery.com
